PRACTICAL-MINDED men were quick to discover how well Fatimas exactly suited their smoke-needs. Fatimas were found to be comfortable.

Not alone because they are cool and comfortable to the throat and tongue. But

because they do not intrude on busy minds.

Fatima's delicately balanced Turkish blend—unlike that of a heavier, more "oily" cigarette—leaves a man feeling keen and alert even after a long-smoking day.

YOKEL RETURNS TO PUT IN CROPS

Mike Has Splendid Winter Campaign and Is Now Ready for Farm.

SALT LAKE, May 1.—Mike Yokel breezed into Salt Lake last night, straight from Texas. He breezed into Texas a month ago straight from Chicago, and he breezed into Chicago three months ago straight from a successful mat campaign in the far east. During his travels Mike has had twenty-eight matches. He has been uniformly successful, although he has not had a clean slate of victories. All around, however, Mike has built himself a great reputation in the centers where the big populace abide, and he is sure of a great reception when he returns next year.

Yokel's itinerary was left unfinished on account of the call of the soil. Mike was slated to return to Boston from Texas and to engage in several matches in New York, New Jersey, Pennsylvania and other states.

"It was growing so late in the season," said Mike last night, "that I thought I'd better hustle home and put in some crops on the old ranch. The outlook now is that we will need all the crops we can grow, and it seemed to me to be far more important to hit for Jackson's Hole than to continue wrestling. Besides, with almost thirty matches during the winter, I think I have had enough for one season."

Yokel and Pet Brown were to have engaged in another match in Texas, but the bout fell through because Brown insisted on a match immediately after Mike's wrestling and boxing bout with Wayne Ketonen.

"I want to be right when I meet Brown again," said Mike, "and ten days was not long enough to give me the needed rest to recuperate, especially after that match with Ketonen, which, believe me, was some rough stuff bout."

After a summer on the farm and with his livestock, which is now assuming the proportions of a regular herd, Yokel will take to the road again in the fall. He thinks another winter's campaign will finish his career as a wrestler.

"It's mighty hard work wrestling two or three times a week," said Mike, "and traveling around between times, but not for me. I think that ranch will keep me pretty busy after next year."

Yokel's campaign has been a success from a financial standpoint, as well as from an athletic one. While few of the matches, aside from such bouts as the Ketonen affair at Houston, which was witnessed by 4,000 spectators, carried a great deal of coin, still, in the long run, and by working so often, the sum total which Mike put

in the bank ran up to respectable figures.

WITH THE BOXERS

Upon the invitation of Sol Levison, sporting goods dealer of San Francisco, Al Young and Frank Barrieau departed from Ogden to fight under Levison's management in coast cities. Young has engaged in several battles in and around Ogden, where he has demonstrated that he is a high-class lightweight, while Barrieau has been doing as effective work in the welter-weight division. Both expect to return to Ogden within a few weeks and Young announced that he hopes to meet several prominent lightweights, including Joe Rivers, in Ogden upon his return. Levison, who seems to have been taken up with the work of the two, is the maker of the Levison boxing gloves, used in most championship matches.

ST. LOUIS, May 1.—Sam Langford of Boston knocked out Bill Tate of New York in the fifth round of a scheduled twelve-round bout here tonight. The boys are colored heavyweights.

SAN FRANCISCO, May 1.—Matchmaker Dolph Thomas has matched "Mexican Kid" Carter and Jack Downey of Salt Lake to box the main event of the Parkside club's show at Dreamland rink next Friday night. Downey, ranked "Cyclone" Williams in his only bout here and looked up fairly well. Carter has been going good of late.

Boston, May 1, Johnny Dundee, New York lightweight, was given the referee's decision over "Chick" Simler of Pennsylvania in their twelve-round match here tonight.

INJURIES WILL PUT DENTS IN NATIONALS

NEW YORK, May 2.—Injuries to players on National league teams this year will be more costly than they have been in the past.

Because of the adoption of a twenty-two player limit without a disability clause, managers in the National league are facing the possibility of seeing their pennant chances shot to pieces within a week's time at any stage of the race. As a result sentiment against the player limit rule is stronger today than at any time since its adoption by the old league last winter.

The Chicago Cubs were the first to suffer. Vic Saier's broken leg put them in a hole and had it not been that Fred Merkle was playing the bench in Brooklyn, Chicago would have been badly crippled. Shortstop Wortman is the latest player on the Cub roster to suffer injury.

The Giants, with Heinie Zimmerman and Buck Herzog on the injured list, have lost much of their punch.

DOUBLE MURDER AND SUICIDE SHOCKS OGDEN FAMILY

The shocking news that his aged mother and stepfather, the latter being James H. Caldwell, had been murdered by their ranch superintendent, who then killed himself, was received last night by A. Mark Smith, secretary of the Browning Brothers' company. No details of the tragedy were included in the telegram, but Associated Press dispatches from Dickinson, North Dakota, stated that the aged couple were shot and killed near Taylor, N. D., where they lived, by the ranch superintendent, following an attack by the latter upon their daughter. The daughter was May Caldwell, a step-daughter of Mr. Smith and it is thought that she alone knows the details of the shooting.

Mr. and Mrs. Smith, who reside at 2438 Madison avenue, are now on their way to Taylor. Last night the former were at a loss to know what could have been the motive behind the double murder and suicide. "I cannot imagine what the superintendent's motive could have been," Mr. Smith said. "It was only yesterday I received a letter from my folks in which they referred to the good feeling existing between the superintendent and themselves. The superintendent, a Russian whom they had befriended, was on the most friendly terms with them and seemed to be a most loyal and faithful employee. He must have gone insane to have committed such a terrible crime."

Mr. Smith, before becoming associated with the Browning Brothers' company, was head of the supply department of the forest service of the United States. He is well known throughout the west, particularly by government employees, and the sympathy of these and his many local friends is his great sorrow.

His stepfather, Mr. Caldwell, gained nationwide fame a few years ago, when he successfully defended himself in a suit brought by "G. C. R." known as "The Man of Mystery," who laid claim to property owned by Mr. Caldwell.

UNITED AMERICA, SAYS DA GAMA

NEW YORK, May 1.—Aimaro Sato, the Japanese ambassador, speaking here tonight at a dinner of the Economic club, declared that real "Americanism has turned the balance" in the world conflict and that the war will not end "until universal peace has been assured to mankind."

Other speakers at the dinner were Charles E. Hughes, Donato Da Gama, the Brazilian ambassador; E. De Carter De Marchienne, the Belgian minister; Ignacio Calderon, the Bolivian minister; Bellisario Porras, the minister from Panama; Sir Ernest Shackleton, the explorer; James W. Gerard, W. C. Wel, secretary of the Chinese legation at Washington, and Alexander Petrunkevitch.

Ambassador Da Gama expressed the belief that at the end of the war there will be "a united America in front of Europe."

"There will be an America," he said, "where sentiment will be at the bottom of political movements and common interests will be the real motive for our working together."

BRITISH TAKE MANY PRISONERS

LONDON, May 1, 10:20 p. m.—"During April," says the official report from British headquarters in France tonight, "we have taken 19,343 German prisoners, including 393 officers. In the same period we captured 257 guns and howitzers, including 98 heavy guns and howitzers, 227 trench mortars and 470 machine guns."

"In addition to these, many of the enemy's guns, howitzers, trench mortars and machine guns have been destroyed by our artillery fire."

"Marked activity in the air continued yesterday and during the night. In the air fighting eight German machines were brought down by our airplanes, two of which fell in our lines, nine others were driven down out of control. Another hostile machine was shot down. Nine of our airplanes are missing."

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "foggy" and "heavy." Note how they "clear" clouded brains and how they "perk up" the spirits. 10c and 25c a box. All druggists.
